The cost of the facilities should be considered as a cost of developing the sites and included in the price charged for the lots when they are sold.

(g) *Compliance with local codes and regulations.* Planning and development of sites will comply with all State, county, and local planning and zoning requirements, and will be for housing that will conform with any applicable laws, ordinances, codes, and regulations governing such matters as construction, heating, plumbing, electrical installation, fire prevention, health, and sanitation.

The amount of the bond will be at least equal to the maximum amount of such funds including funds in bank accounts, and property that the applicant will have in its possession or control at any one time.
